

Welcome MassHealth Members

Great Health is Our Primary Purpose

Your Health Center is a founding member of Community Care Cooperative (C3), a new Accountable Care Organization (ACO) created by health centers to better serve their communities. An ACO is a group of doctors and other health care providers who work together to help care for you.

C3 is working to help your PCP stay better informed and involved in your care, both inside and outside the health center. We are creating new and improved programs and systems to get you the right care at the right time.

So What Does it Mean to You?

We are Part of the Community

We understand the unique experiences, cultures, and values of the communities we serve.

C3 Health Centers

- Close to where you live and work
- Extended hours when you need them
- Care for your whole family, children and adults
- Help with social services such as transportation, housing, and food
- Wide range of services, often including behavioral health, dental, and vision care
